The fees and charges associated with a Georgiana Molloy Anglican School education for your child are clearly detailed in this document. Annual fees and charges can be added together and from that, one direct debit amount can be determined for regular payment on a monthly or fortnightly basis throughout the year for a family's budgeting purposes.

PAYMENT OF FEES AND CHARGES

The School's preferred method of payment is by regular direct debit as it assists families to budget across the year rather than receive a larger term bill. Fees and charges may be paid by:

- Direct Debit** Fees and charges (excluding uniforms) may be direct debited from a nominated cheque or savings account on a fortnightly or monthly basis. Please contact the School Office to initiate this option.
- Cash** Payable only at the School Office. Please do not send cash with students or through the mail.
- Cheque** Cheques should be made payable to **Georgiana Molloy Anglican School** and may be mailed or paid at the School Office.
- Credit Card** Bankcard, Mastercard and Visa only are acceptable. Payment may be made at the School Office, mailed with your remittance advice or by telephone. EFTPOS facilities are also available at the School Office.
- EFT** **Full term fees only** can be paid electronically to the following account.
 BSB: 706 001; Account: 30003692, stating the family code as the Reference.
- B-PAY** **Full term fees only** can be paid via B-Pay.

For families that do not opt for the preferred direct debit option, an arrangement with our Bookkeeper needs to be made. A 4% interest charge will apply each term otherwise.

REGISTRATION FEE

In order to register a student enrolment, an Application for Admission form must be completed and a fee of \$75.00 paid (including GST). This fee is not refundable and is designed to cover administration costs associated with enrolments. Please note that the payment of this fee does not guarantee enrolment.

ENROLMENT CONFIRMATION FEE

Confirmation of the enrolment is dependent upon an interview with the Principal and upon the payment of an Enrolment Confirmation Fee. This fee is a contribution towards the existing buildings and educational facilities. Payment of the Enrolment Confirmation Fee will secure your child's place in the School.

The Enrolment Confirmation Fee is payable at the time a confirmed placement is offered. The fee is non-refundable and consists of \$750.00 for the first child, \$150.00 for the second child and \$100 for the third child in the same family, **to a maximum of \$1,000.00 per family.**

VOLUNTARY TOURS

The School offers students the opportunity for community service, cultural and sporting tours. These tours, while considered worthwhile by the School, are undertaken on a voluntary basis by students and parents. The cost will vary for each tour and will be advised well in advance of the tour. Tours planned for 2018 are: Cambodia Tour, Uluru Tour, Ski Trip and the Japan Tour. Families must be up to date with their fees in order to attend the tour.

SCHOOL BUILDING LEVY AND SCHOOL BUILDING FUND

All families are required to contribute to the School Building Fund as a condition of entry. This non-voluntary contribution is \$260.00 per family per year, billed in Term 1. The contributions are non-refundable and not claimable as a tax deduction.

However, the School operates a tax deductible Building Fund, the contributions to which are voluntary and therefore may be tax deductible (seek your own professional advice). Any contribution would be in addition to the compulsory levy. Please ensure you indicate your contribution is to the Building Fund to ensure a tax deductible receipt can be issued for your tax records. The School is currently raising money for future building programs.

FAMILY CONCESSION

A reduction of 10% of the Tuition Fee is made for the second student member of the family attending the School, and 20% for each subsequent student of the family. The first child is the one in the highest year group; the second child is in the next year group and so on.

OVERDUE ACCOUNTS

The School aims to keep fees and charges as low as possible while simultaneously providing 'best practice' experiences for your child. Parents/Guardians should read this document carefully and seek clarification from the Bookkeeper if unsure of requirements prior to enrolment.

Once enrolled, fees and charges must be paid in a timely manner. The School encourages families who may be experiencing difficulties to contact the Bookkeeper in advance of payment dates to negotiate arrangements suitable to the School. For families who find they are experiencing extreme financial hardship please contact the Bookkeeper for assistance.

Late payment of school fee accounts without contacting the Bookkeeper in advance, will incur an interest charge each school term of 4% on the outstanding balance. The School has a Debt Collection Policy which applies in such circumstances. In addition the Principal can withdraw a child's enrolment if fees and charges are not paid. Legal action for recovery of outstanding fees may be taken when school fees remain overdue. Costs including commissions, fees, legal expenses are payable by the Parent or Guardian.

UNIFORMS

Uniforms are sold on campus and are not available elsewhere for purchase. The cost of uniforms varies depending on the age and gender of the child, with the average price of a full uniform being in the order of \$500 (excluding a blazer). Please refer to the uniform price list for further details. In addition there are limited second hand items available.
