### RE: JS BOOKLISTS 2019

Dear Parents and Carers,

At this time of year, it is necessary to start preparing for the next academic year.

After the success of the Early Childhood Booklist system since 2014, it has been decided that GMAS will extend its cost/time saving initiative where all books and stationery will be supplied for the Junior School in bulk, by the school. This will mean savings for parents and the school, as we can purchase supplies at a discounted price in bulk. Teachers in Early Childhood have been very happy with the ordering system as they get quality supplies for students, when they need them and this will also be the case for Junior School.

Junior School staff will save on storage and be able to order the supplies needed. Bulk supplies will be delivered at intervals throughout the year, cutting down on wastage and allowing us to track the use of all purchases. This will allow us to develop further savings for the 2019 school year.

The Junior School class teachers will be responsible for the distribution of supplies in the first week of the new school year. GMAS will purchase all stationery items, books and folders, and hygiene supplies, (tissues, paper towel, sunscreen). The only items parents are required to purchase for the school year can be purchased from the GMAS Uniform Shop or be retained from previous years. These are listed on the following page.

The school resource levy for Years 3 – 6 has been increased to cover these costs, however there will still be significant savings to parents by not having to purchase items on the booklist.

We are very pleased to be able to extend this service to our Junior School families and look forward to sharing the benefits with you.

Any queries about our booklist system can be directed to Mrs Kathryn Campbell at [kca@gmas.wa.edu.au](mailto:kca@gmas.wa.edu.au)

Yours sincerely

Mr. Ted Kosicki  
Principal

Mrs Kathryn Campbell  
Head of Primary School
