

2019 SECONDARY SCHOOL INTERHOUSE ATHLETICS CARNIVAL Wednesday 22nd May (7 - 12)

Arrangements in place for this year's Inter house Years 7 – 12 Athletics Carnival are as follows:

On Carnival day, students are to attend school in sports uniform (hat compulsory) with House shirts, reporting first to their home room for attendance check. Following this, students then be taken to the MAC for further instructions. The carnival is due to start at approximately 9.00am, and finish at 3.00pm, a program of events for the carnival will be posted on Monday 20th May on the School's website. Please note times on the program are a guide only and students should not leave school grounds prior to the normal school dismissal time.

Carnival events will take place at various locations around the 2 Western ovals, including the running track, and soccer oval. Parents are encouraged to attend and will be able to witness most events from their position (to the East of the main straight). The presentations to individual champions and winning House positions will be announced at the next assembly which will be Friday 21st June at 9am in the MAC.

Please be prepared for any weather conditions on the day, considering sun protection and/or wet weather protection as necessary, as well as making sure students bring plenty to eat and drink. If the carnival is cancelled due to weather normal classes will run and students are expected to stay for these until the end of the day. The Café will be operating as normal for Primary school, however, the P & F will be running a sausage sizzle and cake stall at the back of the MAC. Students will not be released to go and purchase items at the Cafe. This is a compulsory school event and any student not participating will need to provide their Home room teacher with an explanation.

We would value any volunteers to assist us in all our carnivals (K - 12). If you are available to help at any of this year's Inter house Athletics Carnivals, please contact me at school at ryo@gmas.wa.edu.au, or Alternatively you could phone on 9752 5252.

Yours sincerely

Robyn Vogel
Head of Physical Education Department
