

## Academic and General Scholarships

### Year 7 entry 2020 & Year 10 entry 2020

We welcome applications from talented students who believe they can make a positive contribution to the GMAS community.

The number of scholarships awarded each year is dependent upon the quality of the applicants and the availability of places.

In 2019 Georgiana Molloy Anglican School will offer four scholarships to students entering Middle School in Year 7, 2020 and four scholarships to students entering Senior School in Year 10, 2020. All students entering these year levels are welcome to apply.

Applicants will not be required to undertake a scholarship selection test, and no payment is required.

In general these scholarships are awarded to students who display talent in a variety of areas including, but not restricted to, academia, arts, leadership, physical ability and service to the community. These are students who will benefit substantially by attending the school, and who in turn will make a contribution to the holistic life of the school. Factors other than purely academic potential will be taken into account in the awarding of the scholarships.

All scholarship holders are expected to display ongoing sustained commitment to their studies and to take a full and constructive part in the life of the school in the areas of their interests, aptitudes and abilities.

The Old Georgian's scholarships are equal value to full tuition fees (100%) for the years of schooling. The Principal's scholarships will be of equal value to half tuition fees (50%) for the full years of schooling.

Scholarships do not cover the cost of books, stationery, uniforms discretionary charges such as camps or overseas trips.

The continuation of the scholarships is subject to a successful review of progress and contribution to school life annually.

Tenures vary, but generally scholarship holders are expected to complete their secondary education at GMAS.

If you believe your child can demonstrate how they will contribute positively to the school and broader community, we encourage you to apply.
