APPLICATION & ENROLMENT FEES

A one-off **application fee** of \$75 (including GST) is payable in order to apply for enrolment. The fee is non-refundable and is designed to cover administration costs associated with enrolments. Please note that the payment of this fee does not guarantee enrolment. Confirmation of enrolment is dependent upon a school interview and payment of a one-off non-refundable **enrolment fee** which is a contribution towards existing buildings and educational facilities. Payment of the enrolment fee secures your child's place at GMAS and cannot be offset against tuition fees. The enrolment fee is payable at the time a confirmed place is offered. The fee consists of \$750 for the first child, \$150 for the second child and \$100 for the third child, to a maximum of \$1,000 per family.

CAMPS (IGNITE PROGRAM)

GMAS is committed to providing students with valuable opportunities for personal and academic growth through our IGNITE Program which runs across Kindy - Year 12. From 2025, the IGNITE Program will consist of either Camp or Immersion activities depending on the Year Levels. As this program is funded on student numbers, no refunds will be given.

SCHOOL BUILDING FUND

Separate to the compulsory school building levy, the school operates a building fund for voluntary contributions over and above the levy paid by all families. Any donations made are likely to be tax deductible; however, we encourage you to seek your own advice. The fund raises money for future building programs designed to enhance the student experience at GMAS.

Fee assistance

FAMILY CONCESSION

When a family has two or more siblings attending the school at the same time, tuition fees are discounted by 10% for the second student and 20% for each subsequent student from the same family. This discount only applies to students in K-12.

CONCESSION CARD HOLDERS

Parents/legal guardians in possession of a current eligible concession card (Centrelink Health Care Card, Pensioner Concession Card or Veterans' Affairs Pensioner Concession Card) are eligible for a 50% reduction in tuition fee. Concession is granted solely to the tuition fee (after Family Discount). The card holder must be the parent/legal guardian of the student/s while they remain enrolled. Please contact the Bookkeeper for more information.

SECONDARY ASSISTANCE SCHEME (YRS 7-12)

The Department of Education offers an allowance to assist eligible families with the cost of secondary schooling. The allowance is payable to holders of Family Health Care Cards (not student cards), a Pensioner Concession Card, or Veterans' Affairs Card. If approved, the Department will pay \$300 directly to parents to assist with the purchase of uniforms and textbooks. \$235 is paid directly to the school to offset the school fee account. Application forms are available from the School Office and must be submitted by 11 April 2025.

FINANCIAL HARDSHIP

Families who are experiencing temporary financial hardship are encouraged to contact our Bookkeeper to discuss how the school may assist. Options may include entering into a payment plan/arrangement or fee remission (in extreme circumstances).

SCHOOL TRIPS & TOURS

GMAS offers students the opportunity to participate in a variety of service, cultural and sporting tours. Attendance is voluntary and the cost varies for each tour. Families must be up to date with their fees in order to attend tours. Information about upcoming tours will be listed on our website.

NOTICE OF WITHDRAWAL

Families must give a full school term's notice in writing prior to the withdrawal of a student from the school. In default of such notice, one term's fees will be charged.

OVERDUE ACCOUNTS

Once enrolled, fees and charges must be paid in a timely manner. We encourage families to contact our Bookkeeper if they find themselves unable to make payment by the due date, in order to negotiate a payment plan. If fees are not paid by the due date, and another arrangement is not in place, a 4% balance interest charge will apply whilst the balance remains outstanding.

DEBT COLLECTION POLICY

The school has a debt collection policy which applies to outstanding accounts. This includes provisions for the school to cancel enrolments, engage a debt collection agency or to take legal action to recover any debt owed. Costs including commissions, fees and legal expense are payable by the parents in such circumstances. We prefer to work with our families to manage any financial difficulties in order to preserve the education and wellbeing of our students.
