The boy is on the right, also looking down. In the background, there is a human skeleton model and a whiteboard with some papers pinned to it. The lighting is soft and focused on the students.

Opportunities now... benefits for life

The future starts here

As an Anglican co-educational day school for students from Pre-Kindergarten to Year 12, Georgiana Molloy Anglican School (GMAS) values the unique potential of each student. Under our care, we believe in offering a supportive, caring learning environment and a diverse curriculum that inspires each individual to follow their passion.

Our diverse co-curricular opportunities in art, academia, sport or music encourages our students to discover new interests, work with others in a range of environments, acquire their leadership style and broaden their relationships beyond their immediate peers.
